DOCKET NO. 98-053-C - ORDER NO. 2002-89

FEBRUARY 6, 2002

IN RE: Application of Satellink Paging, LLC for a) ORDER CANCELLING
Certificate of Public Convenience and) CERTIFICATE √ɒ̣ʝ
Necessity to Operate as a Reseller of)
Interexchange Telecommunications Services)
within the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina ("the

Commission") on the request of Satellink Paging, LLC ("Satellink" or the "Company") to

cancel its Certificate of Public Convenience and Necessity to operate as a reseller of

interexchange telecommunications services within the State of South Carolina. A review

of the docket file reveals that authority was granted to Satellink by Order No. 98-861,

dated November 4, 1998.

By letter dated January 22, 2002, Satellink advised the Commission that the

Company no longer wishes to provide telecommunications services in the State of South

Carolina, and requests cancellation of its Certificate to provide these services in South

Carolina. Further, the letter advises the Commission that Satellink currently has no

customers in South Carolina, therefore, there will be no adverse impact to consumers.

As Satellink has ceased operations as a reseller of interexchange

telecommunications services, and as Satellink has no customers in South Carolina, the

Commission finds and concludes that the request to cancel the Company's Certificate should be granted.

IT IS THEREFORE ORDERED THAT:

1.   The Certificate of Public Convenience and Necessity to operate as a reseller of interexchange telecommunications services granted to Satellink Paging, LLC, authorized by Order No. 98-861, dated November 4, 1998, issued in the instant Docket is hereby cancelled.

2.   This Order shall remain in full force and effect until further Order of the Commission.
